

STATINTL

Attached is the draft document CIA intends to

release [REDACTED] It is to be

STATINTL

released under CIA's responsibility. State's

only comment is that all references to our

Consulate General be removed. Your people

decided to delete the last paragraph. The

changes indicated in pencils/ should be used in

place of references to the Consulate General.

The Bureau of Far Eastern Affairs requests a

copy of the final issuance.
